

The Upper County Dolphins Swim Team is a community swim team within a Montgomery County Parks and Recreation program. We compete in Division A of the Montgomery County Swim League (MCSL) on Saturday mornings and in a local B League on Wednesday nights.

We welcome swimmers of all ages up to 18 who live in the nearby neighborhoods and communities near the Upper County Pool. If you're looking for fun and fast times IN AND OUT of the pool, you've found the best team around!
