

We want you to have a great time exploring all of the features that Reachforthewall.com has to offer, but we also want you to be as safe and secure as possible while you do that. The following are just some of the many websites that you may find helpful in trying to ensure that you and your family have a safe and productive online experience:

<http://www.ftc.gov/bcp/edu/pubs/consumer/tech/tec14.shtm>

<http://www.microsoft.com/protect/family/guidelines/default.aspx>
